STATEMENT OF FAITH

SCRIPTURES

We believe the Bible is inspired, infallible and inerrant. We believe it has truth for its matter, salvation for its end and ever has been and forever shall be the judge of all conduct and creed.

JESUS CHRIST

We believe in the Deity of Jesus Christ; that He was virgin born and without sin; and that He is the eternal Son of God and the Saviour of all who come to Him by faith.

SALVATION

We believe in the vicarious death of Christ on the Cross for sinners; that there is no other name given under heaven whereby we can be saved; and that His blood cleanses from all sin.

RESURRECTION

We believe in the bodily resurrection of Jesus Christ from the grave; that He has ascended in that body and is sitting at the right hand of the Father making intercession for the saints according to the will of God.

RETURN OF CHRIST

We believe that Jesus Christ is coming back again—visibly; that at His coming there will be a resurrection of all those who have died in faith and a translation of all the living saints. We believe that the saints will live and reign with Him for a thousand years, and at the end of the thousand years, there will be a resurrection of the wicked and from the time of the final judgment, the happiness of the righteous and the punishment of the wicked will be eternal.

CHURCH

We believe that the church is a congregation of baptized believers, practicing New Testament principles, believing its doctrine, observing its ordinances and exercising its autonomy—carrying out the Great Commission of Jesus Christ to preach the Gospel in all the world.

MORE **than a** **Mission Board**

by **Dr. Rex McPherson**
General Director

Although a major portion of the ministry of **The Gospel Preacher Association** is involved in a wide range of missionary endeavors, the association is much broader than a mission board. Commissioned by the Galilean Baptist Church in Lawrenceville, Georgia, we are local-church based. The founder and president of the GPA, Dr. Tolbert Moore, is the pastor of Galilean.

The reason we are called **The Gospel Preacher Association** is, first of all, because we are striving to promote, encourage, aid, enhance, and develop all effective and scriptural means of preaching the Gospel of Christ which is the power of God unto salvation. We firmly believe that God has chosen *“the foolishness of preaching to save them that believe,”* and again, *“How shall they hear without a preacher?”* The missionaries and evangelists of the GPA are encouraged to make preaching the Gospel their mission wherever they go.

Secondly, we are an “association” made up of all the supporters of the GPA ministries and its missionaries and evangelists. The association is led by Dr. Tolbert Moore, Founder and President, and the executive committee. Input from supporters as to how to make the ministry more effective is always welcomed and carefully considered. As an association we can involve ourselves in a wide range of Gospel outreach.

Our work currently consists of church planting, church rescue and recovery (such as in Wales, UK, where we are presently working to rebuild congregations). It also consists of the GPA Bible Institute (also in Wales), mission conferences, missionary training for deputation, mission exposure trips for pastors and Christian workers, and missionary evangelism trips for young people. We conduct camp meetings, revivals, area-wide meetings for evangelism, Bible conferences and fellowship meetings. We publish various Gospel tracts and booklets to aid and encourage God's people in their service and walk with Him, and counsel pastors and missionaries.

This is why we say that **The Gospel Preacher Association** is more than a mission board. We are strong on the local church and work in helping them get their missionaries to the field of their calling. Our text is the Authorized King James version of the Bible.

We are old-fashioned Baptist to the bone and our goal is to win souls to Christ and help those who are seeking to do the same.

Finally, the GPA is a ministry of faith. Each missionary and director must raise support through deputation. Only the office staff is paid a regular salary. The finances to run the office, which includes many things to support all the missionaries, also must come from the faithful support of churches. It is always a burden to meet these needs, but God is faithful to supply. You can have a part in the total ministry of the GPA by supporting the home office as a part of your missions program. The amount that you normally give in support to a missionary would be a great blessing. Just send it marked for the home office. Another great way to help would be to join the Army of 2,000. Just ask a GPA representative for information on how to join. ☩
